

CCDC Inject

INJECT NAME	Create an Organization Critique
INJECT ID	ORG01A

INJECT DESCRIPTION:

Document the organizational structure of your team, in terms of job descriptions and whether each is filled uniquely with a person or multiple people. For each skill area are there backup members defined and trained in case additional resources are needed in a particular area. Is there effective delegation and oversight.

Given the experience of the competition, what changes would likely benefit the team's performance ?

INJECT DELIVERABLE

Develop a business memo providing the existing organizational structure and the changes that might benefit the team.
